Cadc exam study guide.

The 90-day waiting period applies to all versions of the IC&RC primary clinical examinations in a single group (CADC, CAADC), so that candidates cannot alternate between failed attempts at one of these examinations within less than 90 days. Practical exams are just one of the many resources available to candidates preparing for the IC&RC exam. Practice Exams IC&RC now offers online practice exams for the following three exams: Alcohol and Drug Counselor (ADC), Clinical Supervisor (CS) and Prevention Specialist (PS). For more information on test exams and other preparation materials, please visit the Exam Preparation page of the IC&RC website at IC&RC Practice Exam Information. USDOT SAP Exam The IC&RC network offers US Department of Transportation (USDOT) SAP Exam (required to qualify as a USDOT Certified Substance Abuse Professional. Study material for some IC&RC exams is available through the Distance Learning Center. At the end of each practical test, candidates are given an assessment report detailing their performance according to the different areas of the test content. Additional Study Material at Addiction Exam Prep Additional Study Material at ecare Behavioral Health Institute MCBAP does not recommend one study guide over another. You will have three hours to complete the exam. After meeting the eligibility requirements and registering through the membership board, you will receive an email notification with detailed information about the date, time and location of the exam. You will need to bring a valid government-issued ID and the candidate's letter of admission. Before the exam, you will receive a short tutorial. Since 31 December 2003, it is not possible to be a Substance Abuse Professional (SAP) unless you have received a qualified training and successfully passed it. validated examination. Test dates are set for each test center, if necessary.
